YOUTH LOGO DESIGN COMPETITION

The Race Amity North Shore Committee announces a logo design contest for students in Kindergarten to 12th grade. The winning Race Amity North Shore logo will be showcased at the next Race Amity Day Celebration, June 13, 2021 and used to promote Race Amity activities throughout the year. Race Amity Day draws attention to the rich tradition of cross-racial friendships that bridge the racial divide and promote equity, access, and social justice. Celebrations include community art making, performances, conversation, a reading of the Massachusetts Race Amity Day Proclamation, and more.

The designs should be:
- Original to the artist, with no help from those over the age of 18.
- Color coordinated with the National Center for Race Amity Day logo. (See https://raceamity.org/resources/)
- Bold enough to reproduce easily on t-shirts, signage, websites and more
- Free from copyrighted images

The design will be chosen by an independent committee of artists and graphic designers and the winner will be announced September 14th, 2020. Design winner will receive a prize of $250. Rights to use and reproduce the winning design will belong to the Race Amity North Shore Committee.

Please submit entry in pdf format (along with name, address and age) to info@heathmere.org by midnight Sunday August 30th.

Visit Race Amity North Shore Fb for more details.
